2015 - today	IRIS Group, UK, Founder and CEO
2013 - 2015	UMS Aero Group, Switzerland, CEO
2008 - 2013	Schiebel GmbH, Austria, Managing Director
2007 - 2008	Thales, UK, Director Business Development
1984 - 2007	Royal Navy Officer & Helicopter Pilot

A highly motivated, committed and extremely effective senior manager and leader, with proven success at the strategic level in complex and challenging appointments.

Credited as a clear thinker, who has consistently delivered and demonstrated excellent communication, written and presentational skills, enhanced by effective diplomacy, sound judgement and initiative.

Reputation of leading/managing from the front and making changes when needed and getting things done.

Successful appointments in Europe as both a CEO and Managing Director as well as a Senior Royal Naval Officer, all testament to these core skills.
